

ENVIRONMENTAL POLICY

Our vision is to remain faithful to the tradition of Greek hospitality and based on the defined operating standards of ISO 14001, to offer our customers through professional and friendly staff, quality and safe services, which are constantly evolving, improve and protect the environment.

The Environmental Policy consists of:

1. assessing the environmental impact of our activities in order to reduce or eliminate negative impacts
2. taking action in every possible way towards the protection of the environment and the prevention of pollution,
3. ensuring a comfortable and quiet stay for guests on site
4. maintaining the excellent condition of our facilities and the operation of our equipment
5. creative interaction with local stakeholders and participation in environmental activities

All of us: the Management and employees of ***GOUVES WATER PARK Holiday Resort***, because we believe in continuous improvement, are committed to the following which constitute the Environmental Policy of the company:

1. To faithfully implement and continuously improve the Environmental Management System according to ISO 14001:2015.
2. To carry out actions for energy saving, reduction of water consumption, and proper management of solid waste
3. Maintain good air quality
4. Not to burden the environment with noise pollution
5. To comply with any legislative or other requirement to which the activities of our business fall.

To achieve all of the above:

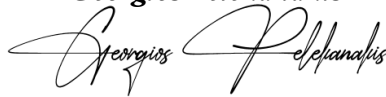

1. We cooperate with neighboring institutions in order to preserve the natural beauty of the area
2. We inform all stakeholders in the area about the environmental actions carried out by the hotel unit in order to raise their awareness and participation.
3. We train the hotel staff every year in order to actively participate in the environmental management system.
4. We inform customers about the environmental actions of the hotel unit, in order to encourage their active participation.
5. We use only raw materials of the highest quality and evaluate our suppliers.
6. We maintain the facilities and equipment in excellent condition and prevent any problems.

The staff at all levels of the company is aware of the Company's Environmental Policy and contributes to its Implementation.

The Management of the Company is committed to supporting the implementation of the Policy.

The Management
